AMENDMENT AND RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This communication is a response to the Office action mailed July 30, 2002. Please enter the following amendments and consider the appended remarks.

IN THE CLAIMS:

Please amend claims 1-3, 7, 14, 17, 30 and 36 as follows (a marked up copy of the amended claims showing the additions and deletions to the previous version is attached hereto as

Appendix A):

AL sub B 1. (Amended) A computer-readable medium having computer-executable instructions, comprising,
receiving a document having an element thereon, the document including information associating the element with an external component that is encapsulated and external to the document such that the external component may be used with a different document;
